Job Position: Construction Management Position

Dear Sir,

With the global pandemic of the Coronavirus (COVID-19) hopefully coming to its end, and it is necessary for everyone to access their own situation, the impact on your life. With myself after 3 years in Dhaka on the new MRT I have decided I am going to look for a new opportunity to take the next step towards a brighter future

With 17 years' experience, on railway Projects starting in 1993 on the BTS as Tender Team Manager for CNT, followed by the Airport Railway Link underground advance Works at Suvamabhumi Airport, then the MRTA Blue Line underground station and my latest stint in Bangladesh, which ended with a letter of recommendation directly from the Employer

My current retainer has expired with the Chinese making me available to commence work immediately and with this, my letter as my of application with my attached resume presenting my credentials and experience, I respectfully request your consideration for a suitable position in your organization or you can give any assistant in directing me to any possible opportunities

Thank you for your time in reading my application it is much appreciated and I look forward to hearing from you soon

Yours faithfully

Mr. Simon R Lane
