

# Sun Linn Tun

## Master's Degree Graduate

**Fresh graduate of master's degree in Geotechnical and Earth Resources Engineering** at Asian Institute of Technology, Thailand. For my Bachelor study, I specialized in Geology at the University of Yangon, Myanmar and during my undergraduate study, I have participated in University Science Fair Projects as a representative of my department and received 'Government's Scholarship for Outstanding Students' four years continuously. I am really looking forward to being a part of this working community.
