ADDRESS :

501/265 Khu Khot Sub District

Lum Luk Ka District,
Pathum Tani 12130

CAREER OBJECTIVE

To obtain a position related to geological engineering where I can apply my knowledge and skills in rock mechanics, ground water and soil mechanics.

EDUCATION

- 2007 – 2012 (**High school**)
Triam Udom Pattanakarn Pathum Tani High School High School Diploma President of Math & Science (GPAX:3.56)
- 2013-2017 (**Degree**)
Suranaree University of Technology
Nakhon Ratchasima, Thailand.
Bachelor of Geological Engineering (GPAX: 2.73)
- 2017- 2020 (**Master degree**)
Suranaree University of Technology,
Nakhon Ratchasima, Thailand.
Master of Civil, Transportation and Geo-resources Engineering. (GPAX:3.79)
The research on topic “Effects of overburden mechanical properties on subsidence characteristics”

SKILLS& ABILITIES

- **English** :Good command of written and spoken in English
- **Computer & Programs Software** : Good skill in the use of Microsoft office (Excel: Pivot, If , V-look up),AutoCAD, Dip Program, Slide Program, Phase 2 Program, Unwaged Program and Other Program in Geological Engineering Analysis.

REFFRECES

- Prof.Dr. Kittitep Fuenkajorn,
Advisor and lecturer School of Geological Engineering Suranaree University of technology Nakhon Ratchasima 30000 Thailand

* **WORK EXPERIENCE (CONTINUE TO 2ND PAGE)**

WORK EXPERIENCE

2017 : PANYA CONSULTANTS,BKK

Position : Assistant Engineer

- Evaluating tunnel's stability at Chiang Mai provinces

2015- 2020 : Nakhon Ratchasima

Position : Geomchanic's Researcher

- Laboratory test assistant (UCS, triaxial, Direct Shear, Slake Durability, Sieve Analysis and Other Test Method in Rock and Soil Mechanic)
- Core Logging (RQD, Structure Logging, Orientation Logging, Basic of Lithology Logging)

2020 - 2021 : M.K.S.engineering, Bangkok

Position : Estimate engineering

- Scope of a project, required contents of the estimate, as well as the costs associated with the project and its impact on the organization.

2021 – Present : TRC CONSTRUCTION PLC, Bangkok

Position : Business Development Engineer

- (Overview) Scope of a project, required contents of the assistant project director, as well as support and coordinate with many concerned departments within the organization until project could be successful.
